09/17/18: The telephone number for the Information Agent is: 888-349-9062.

09/17/18: Axcelis Technologies, Inc. ("Axcelis") is pleased to announce a voluntary program through which record date shareholders on 09/05/18 owning fewer than 100 shares (99 shares or less) of Axcelis common stock may conveniently sell all their shares.

Shares submitted for sale will be traded in the open market throughout the respective week and a few days afterward. A weighted average price will be determined by these trades. Weighted averaging means the per share price is obtained by dividing the aggregate dollar amount of all market sales of shares for participants during the respective week by the total number of shares sold on behalf of such participants during the respective week. A processing fee of \$2 per share (up to a maximum of \$75 per account) will be deducted from the proceeds to defray the cost of this program. The actual price cannot be guaranteed in advance.

As a condition for entering PTO instructions, participants must indicate the number of record date beneficial holders in the comments field of the PTO instruction. The agent reserves the right to reject any instruction for failure to do so.

Participants tendering on behalf of record date beneficial owners of 1-37 shares are to use contra CUSIP # 054994694.

Participants tendering on behalf of record date beneficial owners of 38-99 shares are to use contra CUSIP # 054994702.

Participants should consult their tax advisor for complete details in reference to withholding taxes.

Payment dates: The Paying Agent will facilitate distribution of the sales proceeds approximately ten business days after the Friday of the week in which your authorization to participate is received in good order. DTC will make payment upon receipt from the Paying Agent.

There is no withdrawal or guarantee of delivery (protect) privilege afforded this offer.

The Offer will expire at 5:00 P.M., Eastern Standard Time on October 12, 2018.
